ADD-ONS

Bible Box

Specifically created for our religious market, the bible box offers the perfect finishing touch. Designed to match the custom stain of your chair, the bible box (depending on the model of chair) is available either on the back or underneath the chair.

Casters

These casters are professionally installed and offer a full 360-degree rotation, with a 2-inch spherical wheel that is complete with an antique brass hood. We recommend that the casters are fixed to front legs only to provide stability for your clients.
